Guest Residents: Lisa Bloomquist, Kathye Zephre, Frannie Mechorer

Meeting was called to order

Treasurers Report:

The balance in our account is \$43,899.16. There were \$2203.00 in payments received this month, and the expenses for February were \$752.00. It was asked if a monthly operating expense report could be made available for all of us to have. Ann will look into it.

Welcome Committee:

8 baskets have been delivered. No more than 3 attempts will be made to deliver a basket to a resident.

Website:

January's financial's and February's minutes have been posted. The dues payment reminder will remain for now and the garage sale information will be added to the front page.

Grounds:

The light timers at the entrance have been reset.

Bulk Mailing:

Due to the complicated process of mailing in bulk, and the additional cost of the actual stamp that is needed, we will not be renewing this next year.

Money Market Account:

We will not moving HOA funds to a money market account at this time for a couple of reasons. There is a limit on withdraws on the account monthly and we would probably exceed that. We would also need to have more funds in the account before it would be feasible to do this.

Theft on Indian Wells Court:

Ed our block watch captain was not able to attend the meeting tonight, so we do not have any information about this yet.

New Business:

Street Paving:

It was brought to our attention that only the Monclova township part of the Quarry will be paved and not Springfield township.

Meeting adjourned at 8:05pm
